1. INTRODUCTION

The World Amateur Orchestra Festival will be held in Tokyo in 2020 when the Tokyo Olympics and Paralympics will be held. In recognition of the Paralympics and Olympics, we are inviting people from various countries, regions, cultures (music), and cultures that I always enjoy. We will transmit the diversity of Tokyo. Even in the world of amateur orchestras, we can do so with beautiful harmony. This is a place where amateur orchestra enthusiasts around the world can share the possibilities of such diverse social contributions.
